Gobar Gas plants in the country

*130. SHRI T. VENKATRAM REDDY: Will the PRIME MINISTER be pleased to state:

(a) the details of the schemes formulated by the Union Government for promotion of gobar gas plants in the country;

(b) the number of such plants set up during each of the last three years, State-wise;

(c) the amount spent thereon, State-wise; and

(d) the number of such plants proposed to be set up by the end of the Eighth Five Year Plan, State-wise?

THE MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (SHRI S. *KRISHNA KUMAR*): (a) The Government is implementing two Central Sector Schemes for promotion of biogas (gobar gas) plants namely, National Project on Biogas Development catering to family-type biogas plants and community, Institutional and Night-soil based Biogas Plants, Programme. These schemes, inter-alia, provide for Central subsidy, turn-key job fee with maintenance guarantee, various types of training courses, Regional Biogas Development and Training Centres and support for publicity and awareness raising monitoring and evaluation and organisational structure.

(b) Number of family-type and community, institutional and night-soil based biogas plants set up by different State Governments and agencies during the last three years, viz. 1991-92, 1992-93 and 1993-94 is indicated state-wise at, statements—I and II respectively (See below).

(c) Details of funds released to different State Government and State nodal agencies during the last three years under National Project on Biogas Development and Community, Institutional and Night soil based biogas Plants Programme are given at Statement III, IV, respectively, (*See* below). Besides, funds have also been sanctioned to Khadi and Village Industries Commission, National Dairy Development Board and All India Women's Conference for setting up of biogas plants in different States and Union Territories.

(d) Eighth Five Year Plan envisages a target of setting up of 7.5 lakh family-type and 450 community, institutional and night-soil based biogas plants. However, physical targets are worked out on an annual basis in consultation with the State Governments and Union Territory Administrations, subject to availability of resources.

Statement-I

State-wise Number of Family Type Biogas Plants set-up during the years 1991-92, 1992-93 &1993-94 under National Project on Biogas Development
